WINE ESTATE

## LUNCH LADIES ROSÉ 2011

**Grape Varieties:** 100% Cabernet Sauvignon

**Region:** Botrivier

**Analysis:** Alc: 12%

pH: 3.73

TA: 5.2

RS: 9.9

**Harvest/Cellar:** After early morning harvest cool grapes are brought into the cellar and then undergo cold maceration for 3 to 4 days to extract soft tannins and ripe fruit flavours before allowing fermentation to begin. Throughout vinification, handling was kept to a minimum to ensure that true fruit flavours were retained.

**Tasting Note:** Pale cherry red colour. Intense bouquet of raspberry and strawberry is followed by a candyfloss like taste of red berry fruit and a zippy acidity.

**Food Suggestion:** Pasta dishes, pizzas, roasted fish and soft cheeses.
